## Sylation is the **GREEN** Solution

### Energy Management for Manufacturing

It is good for the plant. It is good for the environment.  
It is good for your company.

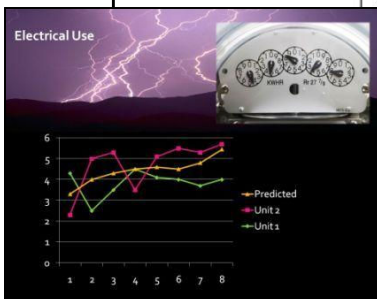

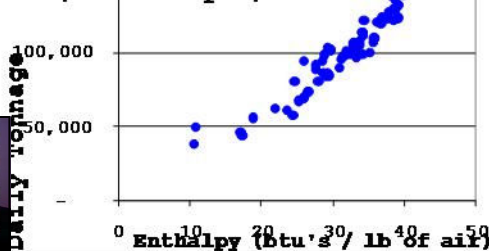

Let Sylation Incorporated help your plant go **GREEN!**

- Web-based, commercially available, manufacturing intelligence software—NO CUSTOM SOFTWARE.
- Clients can see trends, reports and dashboards of energy use on their PC or on large screen displays.
- See real-time and historical Electrical, Steam, Fuel, Chiller, Air, and Water production and use analyzed per grade, lot, batch, etc.
- Trend and Chart energy use versus ambient temperature and inside temperature.
- Send alerts for unusual energy usage.
- Corporate Wide Visualization!
- Measure energy versus operating state;

### Chilled Water

150,000  
(total campus)
